

FORMULAIRE DE DEMANDE AU FONDS DE BOURSE JEAN LAPOINTE

1. Nom, Prénom : Bourque Danica

Directrice des Centres Bonséjour à Sainte-Adèle

2. Directrice d'essai : Éva Monson, PhD.

Professeure aux programmes d'études et de recherche en toxicomanie

3. Titre du projet: A study of opinions related to potential service offers for adults inrecovery

4. Résumé du projet :

This essay will look at the opinions of both service users and professionals in the field of addiction in order to study their perspectives related to addiction treatment. This essay consists of the following objectives. First, it will investigate barriers to sobriety and recovery, as it pertains to adult men and women. Then, it will explore certain existing recovery programs to assess what has been effective and where improvements can be made. Third, obstacles and facilitators for the development and implementation of a recovery program at Les Centres Bonséjour will be explored to accurately tailor the mission and approach of a targeted recovery program for the existing population. Finally, the aim is to develop an outlined program prepared to be piloted.
