

TELT DECEMBER 2023

- ✓ The TELT test takes approximately 3 hours to complete.
- ✓ It consists of four (4) tasks to test your knowledge of English grammatical structures and your reading, speaking and writing proficiency.
- ✓ Each task is corrected by at least two evaluators trained explicitly for the TELT.

Task 1: Grammar (30 minutes)= Answer 20 multiple-choice questions testing your understanding of standard English grammatical structures

Task 2: Reading (1 hour) = Read three short texts and answer 30 multiple-choice questions

Task 3: Writing (1 hour) = Write a short text (250–300 words)

Task 4: Speaking (30 minutes *including preparation time*) = Speak for 2–3 minutes on film*

* Task 4 (Speaking) asks you to record yourself speaking using a smartphone or other video recording device.

- You may use your own device or use the equipment at the test center.*
- You may complete Task 4 in a location outside the test center; however, the video (Poodl) must be uploaded before midnight (23:59) on the day of the test.

*When registering for the TELT, let them know if you would like to use the equipment at the test center to record your video
