

# WELCOME

To ensure the safety of the people inside this building, please do not enter if you are exhibiting:

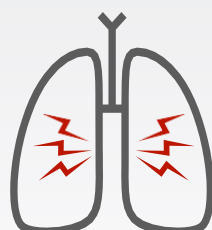

## ONE OF THE FOLLOWING SYMPTOMS:

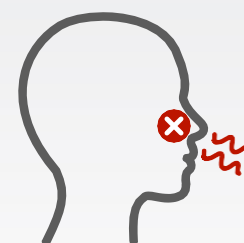

Fever (temperature by mouth of 38°C and above)

Onset or worsening cough

Respiratory difficulty

Sudden loss of smell without nasal congestion, with or without loss of taste

## OR TWO OF THE FOLLOWING SYMPTOMS:

General muscle pain (not related to physical effort)

Headache

Intense fatigue

Significant loss in appetite

Sore throat

Nausea, vomiting, or diarrhea

Your cooperation is vital to maintaining the safety of our learning and working environments. If you are exhibiting any combination of these symptoms or you have developed them while at the UdeS, call **1-877-644-4545** to notify of your condition and learn about the related instructions. Also fill in the **COVID-19 Declaration Form** using the QR code below. All information submitted to the university will remain confidential.
