

En 2018, les professeurs du Département de médecine ont publié 178 publications. Cette liste provient des données retrouvées dans Scopus et Pubmed, ainsi que le « Dossier professeur » de l'Université de Sherbrooke. **Les cliniciens** et les **professeurs-chercheurs** sont en caractère noir/gras lorsque répertoriés dans le service auquel ils sont affiliés. *Les cliniciens, professeurs-chercheurs* membres du Département de médecine sont en caractère italique lorsque répertoriés dans un service autre que celui auquel ils sont affiliés. Les **professeurs associés** au Département de médecine sont répertoriés en caractère gras/italique¹ et les résidents sont soulignés.
