A UNIQUE STUDY PROGRAM IN QUEBEC

Bachelor of Science in Nursing – Initial Training

COOPERATIVE EDUCATION WORK TERMS

Hiring a student may offer many benefits for your organization: you get extra hands for special projects, can free up your personnel for more important tasks, resolve short-term staffing shortage and work overload issues, while promoting your organization, its culture and values among up and coming professionals. It is a unique talent mining opportunity to find a perfect addition to your team.

:: Work terms of 390 hours over a period of 12 or 13 weeks from May to August

:: Supervised by a resource person designed by the employeur

:: Paid work terms

:: The employer may be eligible to receive a tax credit

OUR STUDENTS ARE READY TO WORK **ACROSS** QUEBEC!

This Bachelor degree program is offered on our campuses in Sherbrooke and Longueuil. More than 85% of our student population are from outside Sherbrooke.

THREE **EASY** STEPS TO HIRE A STUDENT

1. Work Term Posting
Fill out our online form and your offer will be submitted to students to whom it applies: www.USherbrooke.ca/ssp, under the Hire a Coop Student tab select Work Term Posting from the menu.

2. Selection
We will email you the files of the students interested in your offer. You decide which candidates you wish to meet for an interview.

3. Interviews
Interviews will be conducted in person on our Sherbrooke and Longueuil campuses or via webcam. You will rate the candidates you met with to establish your preference, and the students will rate their potential employers.
